

Calculus II (MATH 2205)
Fall 2017

Name (Print): _____

Quiz 9: Section 9.1, 9.2

Score: _____ / 10

Section 9.1

1.

5 points

 For $n = 0, 1$, and 2 , find the n th-order Taylor polynomial of e^{-x} centered at 0 .

Section 9.2

2. 5 points Determine the radius of convergence of the following power series. Then, test the endpoints to determine the interval of convergence.

$$\sum_{k=0}^{\infty} (2x)^k.$$
